

NEW GROUPS ROUND 3

GROUP NAMES HERE:

Please discuss the following questions before you get started:

1. Introduce yourselves if you haven't met yet!
2. What are some things that have gone well in your previous groups
3. What are some things that have *not* gone well in your previous groups

List three group expectations here:

And fill in this table with your simulation results:

	Bell Shaped	Short Tailed	Skewed Left	Skewed Right	One left skewed, one right skewed
n=10					
n=30					
n=100
